Certification according to DIN EN ISO 9001:2008 and DIN EN ISO 14001:2009

Dear Sir or Madam,

Thank you very much for your visit to our website and your interest in our company and products.

We are pleased to inform you that our environmental management system has been certified DIN EN ISO 14001 since December 1999.

Together with our quality management system according to DIN EN ISO 9001 which has been certified since 1997, we have introduced an integrated management system.

In October 2011 we successfully passed the recertification audit according to DIN EN ISO 9001:2008 and DIN EN ISO 14001:2009.

Please find enclosed information about our company together with the copy of our certificate.

We hope that our companies will have a good working relationship.

Yours faithfully

HÄFNER & KRULLMANN GMBH
